Dear Mr. Waichman:

Back in January 2005 my mother Dorothy Quinlan fell on ice and badly broke her shoulder. My father, who is now deceased, was a good friend of Joe Dalton with whom my brother is also a friend and has worked for him. Upon hearing about my mother's accident Mr. Dalton told my brother that you were of friend of his and that he would call you to see what your thoughts were for legal action for my mother. Immediately, your law firm called and my mother's case was assigned to Brett A. Zekowski. The case has now been settled.

First, my family would like to thank you for your prompt attention and also giving Mr. Zekowski the case to handle. Mr. Zekowski was great with my mother, patient and kind. He always returned our phone calls promptly and gave us his undivided attention. Many people told us that my mother's case, being a case of falling on ice, would not get her the money she deserved for the injury she had. Mr. Zekowski fought real hard for my mother and would not settle for anything less than what he felt my mother deserved. We totally left the case in his hands and listened to his advice. He could of settled for a lot less with a lot less paperwork, etc. on his end and could have ended the case and the family would have been satisfied, but Mr. Zekowski's determination and hard work in what he felt my mother justly deserved was to be admired and appreciated.

So again, I want to thank you and I just wanted to let you know what a great job Mr. Zekowski did.

If, in the future, someone told me they needed a good law firm I would surely recommend your firm, but most assuredly I would tell that someone to be sure to ask for Brett A. Zekowski to represent them!

Sincerely,
